PROFILE SUMMARY

An MCA graduate with a strong background in computer science and software development. Experienced in building web applications using Python, Django and the MERN stack. Passionate about creating user-friendly solutions and learning new technologies. Looking for opportunities to apply m skills in a dynamic environment.

EDUCATION

- MCA | University of Kerala | Mar Thoma Institute of Information Technology, Ayur (2023- 2025)-73%
- BCA | Mahatma Gandhi University| SAS SNDP Yogam College, Konni (2020-2023)-65%

PROJECTS

Voyage Diaries Travelblog System (2025) |

- Developed a travel blogging platform with multimedia logs, geotagged entries, and interactive maps. Integrated AI-powered recommendations to suggest destinations, food spots, and attractions based on distance and user preferences, and applied machine learning **models** for personalized travel experiences. Added community features, monetization options, and an admin dashboard with analytics for user behavior and destination trends.
- **Technology used:** Python, Django, HTML, CSS, ML, AI, Bootstrap, SQLite3, JavaScript, Visual Studio Code.

MindForge Online Collab Tool (2025) |

- Mindforge is an online collaboration tool designed to help teams work together seamlessly in real time. It provides features like shared workspaces, task management, chat, and document collaboration. The goal is to improve productivity by centralizing communication and project tracking.
- **Technology used:** MERN Stack (MongoDB, Express.js, React.js, Node.js)

SKILLS

- **Languages:** Python, Java, PHP, Html, CSS, JavaScript
- **Frontend:** HTML 5, CSS 3, JavaScript, React.js
- **Backend:** Python, Node JS, Express JS, Next JS
- **Libraries & Frameworks:** React JS, Django, Flsak, Bootstrap, Tailwind, Scikit-learn, NumPy, Pandas, Matplotlib
- **Databases:** SQL, MongoDB, SQLite, MYSQL
- **Tools & Platforms:** Postman API, Git, GitHub, Visual Studio Code, Eclipse IDE, Jira, Docker, AWS
- **Soft Skills:** Problem Solving, Communication, TeamWork, Analytical Thinking, Leadership quality, Adaptability, Attention to Detail.

CERTIFICATION

- Completed a MernStack Course by NGEF certified by KASE, EY, edunet
- Certified by Statistics and Excel course from Udemy
- Completed Python Web Development 5 days Micro-internship by Edure
- Certified by Master Python with NumPy for Data Science and Machine Learning from Udemy
- Certified by Data Structure and Algorithm | Python + JavaScript from Udemy
- Completed a Python and Data Science workshop certified by Techmaghi
